

Ten Pieter Boussemaere © climate actions that really work

MY TARGET DATE:

.....
(before 2030)

COLLECTIVE ACTION

- ACTION 1 Inform yourself
- ACTION 2 Influence the people around you
- ACTION 3 Influence your government

YOUR PERSONAL EMISSIONS

- ACTION 4 Choose the right electricity
- ACTION 5 Use it wisely
- ACTION 6 Choose the right engine
- ACTION 7 Limit air travel & compensate
- ACTION 8 Insulate, insulate, insulate
- ACTION 9 Choose the right heating source
- ACTION 10 Avoid beef and lamb

None of these actions ask you to fundamentally change your lifestyle. Be sure to make your voice heard and tackle your own emissions as much as possible at the source.
